All Chief Administrative Officers, Town Clerks, Executive Director

**NATIONAL SPECIAL GRANT FOR GROUPS OF PERSONS WITH
DISABILITIES LOCAL GOVERNMENTS' (LGs) EXPENDITURE LIMITS FOR FY
2022/2023**

As you may be aware, the Ministry has been implementing the grant under first come first served mechanism. With effect from FY 2022/23, the grant will be rolled out to all LGs, and Indicative Planning Figures (IPFs) mechanism will be the basis for transfers directly to groups in each Local Government in line with section 2.6 (page 5) of the National Disability Grant guidelines of 2022. Equity in generation of PWD groups for funding is expected across different constituencies in your LG.

In line with section 2.1 of the Grant guidelines and for effectiveness, you will utilize the 20% allocation for PWDs Grants under the Social Development Grant to support group formation, coaching, appraisal, monitoring and evaluation of the National Disability Grant.

The purpose of this letter, therefore, is twofold:

- i) To appreciate the nomination of Focal persons, who were also oriented on the revised National Disability Guidelines, in May/June 2022.
- ii) To communicate the National Disability Grant Indicative Planning Figures (IPFs) for groups in your respective Local Governments for FY 2022/23.

Attached are the Guidelines and LG indicative Planning Figures for FY 2022/23
